

It's Time to Celebrate!

We are so excited to have you and your business in Downtown Historic Fredericksburg!

Fredericksburg VA Main Street Inc. is here to support you as you settle into your new space or to celebrate a mile stone anniversary – 5, 10, 15, 20, 25+ years in business. One way to do this is with a ribbon cutting ceremony to introduce your business to your neighbors and the community and/or to thank the community that has supported your business over the years.

Why: A great reason to throw a party! Invite people to visit your new location or celebrate the years in business. This is a way to expand your exposure to the community, our city officials, Fredericksburg VA Main Street's supporters and their extended networks. It's an additional way to promote your business on social media and beyond! It can be as simple or elaborate as you want to make it.

When: You set the date and time! We bring the BIG scissors and ribbon! Just be sure to let us know within 4 weeks before your event so we can arrange for a member of city government to attend and inform the local media. Please return the below information ASAP so we can start scheduling your date!
